
TRANSITION GUIDE

George D. Pozgar

9781284231526

Paperback
650 pages • © 2023

This transition guide serves to outline the updates and new content found in *Legal Aspects of Health Care Administration 14th ed.*

OUTSTANDING FEATURES

- Comprehensive Focus – provides a broad introduction to legal and ethical issues in the healthcare workplace
- Real case studies & “reality checks” – illustrate legal concepts and infuse life into the book/course.
- Engaging and easy-to-read. Written by a non-lawyer, the text is written in a very engaging style, well-organized, and filled with interesting cases and examples.
- Robust Instructor’s Resources – including an Instructor’s Manual with case reviews and sample syllabus, test banks, and PowerPoint slides.

REVISION UPDATES

- Coverage of COVID-19 including examples of COVID-19 related lawsuits
- The chapter on *Patient Consent, Rights, and Responsibilities* has been expanded into two distinct chapters in the 14th edition, to reflect current changes in these areas
- The former chapters on *Labor Relations and Employment-at-Will, Rights, and Responsibilities* has been integrated into a single comprehensive chapter titled *Human Resources*.
- Updated case studies and “reality checks”
- Updated references and weblinks throughout the text

APPLICABLE COURSES

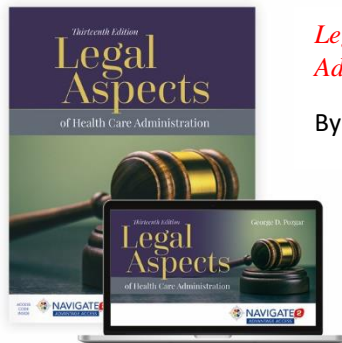

- Graduate and undergraduate courses in Hospital Law, Health Care Law, Legal Aspects of Health Care Administration, Law and Ethics

INSTRUCTOR RESOURCES

- Test Bank
- Instructor’s Manual
- Slides in PowerPoint Format

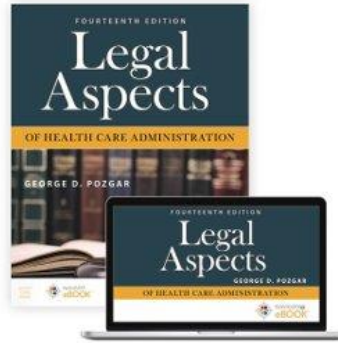

CHAPTER OUTLINE

This chapter outline has been created to help you easily transition to the *14th Edition*. Note that chapter content from the *13th Edition* may now be found in a different chapter in the *14th Edition*. Also note that chapter numbers and titles may have been updated.
